Massanutten Technical Center is in compliance with the Veterans Benefits and Transition Act of 2018, section 3679 of Title 38 of the United States Code.

Due to the delayed disbursement of funding from the VA under Chapter 31 or 33, MTC will not assess a late penalty fee, deny access to classes, libraries, or other institutional facilities, or require a covered individual to borrow additional funds because of the individual's inability to meet his or her financial obligations to MTC due to the VA delay.

The Virginia State Approving Agency (SAA), is the approving authority of education and training programs for Virginia. Our office investigates complaints of GI Bill beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office via email saa@dvs.virginia.gov
